

Career Building Seminar

For Transitional, Underemployed & Unemployed Individuals

In times of economic uncertainty, financial loss and rapid change, it's easy to lose confidence in your abilities. Join us Saturday, December 6, for an interactive seminar and you will:

- Learn how to best position and communicate your "personal brand"
- Create a plan with practical tools for maximizing your network
- Build the confidence and enthusiasm for executing your plan

The seminar is free but registration is required. A light lunch will also be served. Reserve your space today!
